HEINRICH WIELAND PRIZE

The Boehringer Ingelheim Foundation invites nominations for the

2022 HEINRICH WIELAND PRIZE endowed with **100,000 EUROS.**

This international prize honours outstanding research on biologically active molecules and systems in the areas of chemistry, biochemistry, and physiology as well as their clinical importance. Laureates are selected by a scientific board of trustees. www.heinrich-wieland-prize.de

NOMINATIONS MAY BE SUBMITTED UNTIL JUNE 1, 2021.

They must include (in English): laudation summarizing the achievements of the candidate (maximum two pages, on official letterhead and signed), list of the five key publications of the past ten years, CV, and complete bibliography.

Please send your nomination as a single PDF file including all documents to Dr Sabine Loewer, hwp@bistiftung.de

The Boehringer Ingelheim Foundation is an independent, non-profit organization committed to promoting medical, biological, chemical, and pharmaceutical science. www.boehringer-ingelheim-stiftung.de
